BESPOKE AWNINGS & BLINDS

Family owned James Robertshaw has over 160 years experience of designing, manufacturing and installing bespoke awnings, coverings and blinds for the specific needs of operators in the leisure & hospitality, blind & curtain trade and residential sectors.

About Us.

Our story began back in 1860, when Mr James Robertshaw of Collyhurst, Manchester set up shop manufacturing traditional box shop awnings, complete with hand-carved woodwork. Added to this were metal roller blinds and other companion components, all fabricated on-site, beginning an unbroken trading history spanning an incredible seventeen decades, three centuries and two millennia.

During those first one hundred years, JR cemented its company status with a number of patents, including its famous 'Spring Roller' design in 1908. That commitment to innovation and technical advancement remained at the heart of the organisation ever since

From the Victorian age of the Industrial Revolution, through two World Wars and more than a few depressions, the company survived and thrived. It re-located from its original factory in Collyhurst and settled in a historical spinning mill in Farnworth.

The business stayed within the Robertshaw family until the death of James' grandson, William Lancelot Robertshaw in 1960 and was purchased by then Production Manager Arthur Harrison. It is then that the modern story of JR really begins.

In 1978, the company was taken over by 25 year old Nigel Sharrock, who would carry the JR brand from out of its Victorian history and into the modern world. For nearly forty years, Nigel continually strove to improve products, processes and service that JR is renowned for.

After Nigel's retirement in 2016, JR is still a family owned and managed business with Nigel's wife, Lesley and son Matthew, joining him sitting on the board of directors. In 2010 after 50 years at its Farnworth home, JR re-located again to its current, modern facilities and headquarters at Horwich, Bolton

All products are designed, manufactured and showcased within our current home and Customer Centre. With a wide reaching client base ranging from trade sub-dealers; independent bars and national hospitality brands; architects, contractors, residential, education and health-care; James Robertshaw has the creativity, expertise and knowledge to make a visible difference to any business or home.

James Robertshaw. We don't just find the solution, we create it.

SPECIFICATION

Thickness	0,55 mm
Weight (ISO 2286-2)	290 g/m ²
Roll width	120 cm

FADE RESISTANT

WEATHER RESISTANT

STAIN RESISTANT

MOLD RESISTANT

BREATHABLE

Composition	100% solution dyed acrylic
Finishing	Water repellent
Treatment	Mold resistant Stain resistant
Biocides	OIT
Yarn	PC 2/34 Nm 2/34 Nm
Construction	30 yarn/cm 15 yarn/cm
Roll Length	60m
Breaking Strength	140 daN/5cm 90 daN/5cm
Tear Strength	3,5 daN 2,5 daN
Water Column	350mm
Spray Test (ISO 24920)	5/5
Oil repellency	5
UV Colour Fastness	7-8/8

TOPOLOGY

> 100% solution dyed, outdoor acrylic.

FEATURES

> The solution dye assures a high resistance of the colours to UV. Duraclean treatment for high water-repellence and strong anti-dirt.

CARE AND CLEANING

Remove heavy dirt with running water. Use a soft cloth or brush and avoid abrasive facilities and strong rubbing. Cleaning with IRISUN® APCO FAST CLEANER is recommended.

Do not use aggressive detergents, alkaline or acid substances, oxidizers like hypochlorite or hydrogen peroxide.

For mould removal, white vinegar is advised and then rinse with abundant water. Allow the textile to dry, before rolling up. It is advisable to treat the material periodically with a protective product (IRISUN® APCO PROTECTANT), strengthening the fabric and renovating its water-repellence properties.

APPLICATIONS

Textiles are recommended for retractable awnings, canopies and café barriers. Also suitable for marine applications.

Meet the Sales Team.

James Robertshaw has a highly skilled and professional team working together with its clients to provide the right, bespoke solutions.

With the same point of contact throughout the whole process, James Robertshaw will ensure all products are manufactured, delivered and installed on time and to budget.

The team of architects, designers, surveyors and installers are highly skilled and trained, capable of working to the tightest of deadlines and the most demanding of physical environments.

To find out more about James Robertshaw and its products, contact one of the sales team today.
