Notes:

- The colours in the colour chart are in Class 1 category and have warranty of up to 5 years. For the Class 2 category, additional cost will apply and warranty period will be up to 10 years.
- Additional cost will apply for colours not included in the colour chart.
-  Colours with hand icons allow for repairs with König and recommended by Palmiye.
- Standard fabric profiles and matching plastic colours are given. A different colour can also be selected for fabric profiles, but the most suitable one among the existing plastic colours will be used.
- All electrostatic powder coating process is certified by Qualicoat.
- The gloss value may change between 20%-30% for matt colors, 50% - 70% for semi-glossy colors, depending on the color selection.
